August 29, 2019

Dear Employer,

Attached to this letter are three memos regarding the following topics:

1. How to create a split report for August 2019 via WebERF.
2. How to create a split report for August 2019 via NECA-STAR.

Please review.

This information can also be downloaded from our website at www.scibew-neca.org in the “For Employers” section.

If you have questions regarding any of the attached you may contact the Audit and Remittance Processing Department at the Fund Office at (323) 221-5861 or at the nationwide, toll free number, (800) 824-6935. Office hours are Monday through Friday, 8:30AM to 5:30PM. Voicemail messages may be left at any time, with return calls placed the next business day. Fax communications may be directed to (323) 726-3520.

Thank you for your cooperation.

TO: All Local 11 Signatory Contractors Reporting Via WebERF

FROM: The Southern California IBEW-NECA Administrative Corporation

RE: SPLIT MONTH REPORTING – AUGUST 2019

The Southern California IBEW-NECA Administrative Corporation (“Fund Office”) has been made aware that the negotiations for the various Collective Bargaining Agreements between IBEW Local 11 and LA NECA have been completed.

The newly negotiated rates have an effective date of August 5, 2019. Which means, there is a need to provide a “Split” Report for August 2019. All reportable hours worked for the period of August 1, 2019 through August 4, 2019 will be reported at the rates that were in effect on June 30, 2019, as these rates were extended through August 4, 2019. The second report for the period of August 5, 2019 through August 31, 2019, will need to be reported separately, as August 5, 2019 is the effective date of the newly negotiated rates.

To accommodate this need, WebERF has been enhanced to allow users to create a “split” report starting on a specific date. To create a “split” Report, please do the following:

Please note, reporting hours using the incorrect period, may result in overreporting or underreporting contributions. In order to avoid any reporting issues, please ensure all reportable hours and wages are being reported using the correct reporting period.

For the period of 8/1/19 – 8/4/19: If reportable hours were worked in the period of August 1, 2019 through August 4, 2019, when creating a Report in WebERF, you will need to do the following:

1. Log into WebERF and click the “Create New Report” link at the top of the page.
2. To change the “Reporting Period From” date, click the “change” link.

3. When the “change” link is clicked, a drop-down box will appear. Enter in the “Reporting Period From” date you wish to use by clicking the arrow on each box and selecting the Month, Day and Year. Click the “apply” button. For the current specific need, you will need to select August 1, 2019. WebERF will default to the reporting period of August 1, 2019 through August 4, 2019 and use the rates in effect on these dates.
4. Under the “Agreement” header, click the link to the report you want to process.

TO: All Local 11 Signatory Contractors Reporting Via NECA-STAR

FROM: The Southern California IBEW-NECA Administrative Corporation

RE: SPLIT MONTH REPORTING – AUGUST 2019

The Southern California IBEW-NECA Administrative Corporation (“Fund Office”) has been made aware that the negotiations for the various Collective Bargaining Agreements between IBEW Local 11 and LA NECA have been completed.

The newly negotiated rates have an effective date of August 5, 2019. Which means, there is a need to provide a “Split” Report for August 2019. All reportable hours worked for the period of August 1, 2019 through August 4, 2019 will be reported at the rates that were in effect on June 30, 2019, as these rates were extended through August 4, 2019. The second report for the period of August 5, 2019 through August 31, 2019, will need to be reported separately, as August 5, 2019 is the effective date of the newly negotiated rates.

To accommodate this need, NECA-STAR has been enhanced to allow users to create a “split” report starting on a specific date. To create a “split” Report, please do the following:

Please note, reporting hours using the incorrect period, may result in overreporting or underreporting contributions. In order to avoid any reporting issues, please ensure all reportable hours and wages are being reported using the correct reporting period.

For the period of 8/1/19 – 8/4/19: If reportable hours were worked in the period of August 1, 2019 through August 4, 2019, when creating a Report in NECA-STAR, you will need to do the following:

1. A special link has been enabled for you to report these hours separately at the rates in effect during the Work Month of July 2019. Login to your NECA-STAR account and click on the Late/Supplemental tab, then click on the link that looks like this:

![Link Image]

After you’ve clicked on the link, your interface will refresh to the 7-2019 Working Month, so you can report these hours at the rates in effect during the Work Month of July 2019. Please note, although the interface will indicate the Work Month of July 2019 (7-2019), these hours will show on the report and be processed as August 2019 (8-2019) hours.
2. Enter in all reportable hours for the period of August 1, 2019 through August 4, 2019. **All hours entered into this Report, will be calculated at the rates in effect in July 2019.**

3. Preview, certify your report and send payment as normal.

**For the period of 8/5/19 – 8/31/19:** If reportable hours were worked in the period of August 5, 2019 through August 31, 2019, when creating a Report in NECA-STAR, you will need to do the following:

1. Login to your NECA-STAR account and select the Normal 8-2019 reporting interface.

2. Enter in all reportable hours for the period of August 5, 2019 through August 31, 2019. **All hours entered into this Report, will be calculated at the rates in effect as of August 5, 2019.**

3. Preview, certify your report and send payment as normal.

In addition, there has been the following enhancement to NECA-STAR reports:

- **Decoupling of Vacation Fund into the Vacation Fund (8.5%) and Dues Fund (3.5%):** Previously, all NECA-STAR Reports coupled the Vacation Fund (8.5%) and Dues Fund (3.5%) and displayed the total under the Vacation Fund (12%) header. Employer reports will now show the Vacation Fund (8.5%) and Dues Fund (3.5%) as separate entries on the Employer reports. Please note this is only a report enhancement and has no impact on any amounts due. **Please note, this change has an effective date of August 5, 2019 and will only appear on reports created for the work period of August 5, 2019 going forward.**

If you have any issues with submitting your report using NECA-STAR, please contact Union Data Systems at (805) 938-0121.

If you have questions regarding any of the above you may contact the Audit and Remittance Processing Department at the Fund Office at (323) 221-5861 or at the nationwide, toll free number, (800) 824-6935. Office hours are Monday through Friday, 8:30AM to 5:30PM. Voicemail messages may be left at any time, with return calls placed the next business day. Fax communications may be directed to (323) 726-3520.

Thank you for your cooperation.

TO: All Local 11 Signatory Contractors Reporting Via WebERF

FROM: The Southern California IBEW-NECA Administrative Corporation

RE: WEBERF ENHANCEMENTS

WebERF has been enhanced to better serve Employers who use this Reporting interface. The following is a list of enhancements that will be available starting September 2019.

**Decoupling of Vacation Fund into the Vacation Fund (8.5%) and Dues Fund (3.5%):** Previously, all WebERF reports coupled the Vacation Fund (8.5%) and Dues Fund (3.5%) and displayed the total under the Vacation Fund (12%) header. Employer Reports will now show the Vacation Fund (8.5%) and Dues Fund (3.5%) as separate entries on the Employer Reports. Please note this is only a report enhancement and has no impact on any amounts due. *Please note, this change has an effective date of August 5, 2019 and will only appear on reports created for the work period of August 5, 2019 going forward.*

**Selecting a report to create:** To create a report, click the link to the report to be created, located under the “Agreement” header. Then follow the normal report creation process from here.

You can create multiple reports under one agreement, for example, if the employer processed/finalized a report with five employees, and then learns an employee was not reported, the WebERF user can simply click the link to the desired Agreement and create another report. The (1) that follows the word *Finalized* indicates the number of reports that have been finalized for the related Agreement.
• **Visual status of all reports due**: WebERF has been enhanced to show a status of all monthly reports due. When an Employer clicks “Create New Report,” all Agreements with a report due will be displayed with a Finalized or Not Reported status. In the beginning, all reports due (listed under the Agreement header) will be displayed with a Not Reported status, which means no reports have been finalized. Once an Employer creates a report for a specific Agreement, the status will show as Finalized.

• **Ability to select a specific Reporting Period From day**: WebERF has been enhanced to allow users the option to create a report starting on a specific day. This feature will be useful in the event there is a contributions rate change that has an effective date other than the first of the month. To use this feature, please do the following:

  1. In the “Reporting Period From” field, click the “change” link.
2. When the “change” link is clicked, a drop-down box will appear. Enter in the “Reporting Period From” date you wish to use by clicking the arrow on each box and selecting the Month, Day and Year. Click the “apply” button. Then follow the normal report creation process from here.
