

***Important Notice from Southern California IBEW-NECA Health Trust Fund
About Your Prescription Drug Coverage and Medicare***

Medicare Part D plans are available to every person who is eligible for Medicare. All such plans will provide at least a standard level of coverage set by Medicare and some plans may offer more coverage for a higher monthly premium. ***Note that the Medicare Part D prescription drug program is NOT a benefit provided through the Southern California IBEW-NECA Health Trust Fund.*** It is provided through Medicare and is marketed by various Medicare-approved “Prescription Drug Providers” (PDPs). If you are eligible for Medicare, you will have a chance to enroll in a Medicare-approved Part D plan from October 15th through December 7th of each year. If you ever lose your current Fund prescription drug coverage, through no fault of your own, you will then be eligible for a two-month special enrollment period to enroll in a Part D plan.

This notice is to inform you that your current prescription drug benefit program through the Southern California IBEW-NECA Health Trust Fund provides “creditable coverage,” as defined below. It also includes answers to questions you may have regarding your current prescription drug program and how it relates to Medicare Part D coverage.

2014 CERTIFICATE OF CREDITABLE PRESCRIPTION DRUG COVERAGE

The Southern California IBEW-NECA Health Trust Fund hereby certifies that the prescription drug coverage it provides to Medicare-eligibles is expected to pay out, on average for all such participants, at least as much as the standard Part D coverage would pay in calendar year 2014. It is therefore designated as providing 2014 “creditable coverage,” meaning that any participant who later enrolls in a Part D plan will not be charged a late enrollment penalty for 2014.

This is your notice of creditable coverage. Be sure to read it carefully and keep it in a safe place where you can find it. If you lose this notice and need another copy, please call the Fund’s Membership Services Department at 323-221-5861 or 800-824-6935, or request a copy in writing from 6023 Garfield Avenue, Commerce, CA 90040. Updated versions of this notice will be sent annually and you will be informed if the Fund ever loses its creditable coverage status.

FREQUENTLY ASKED QUESTIONS

- (1) ***If I am a retired Trust participant with prescription drug coverage through Kaiser Senior Advantage or UnitedHealthcare Secure Horizons, do I need to do anything now?***

No, if you stay with Kaiser or UnitedHealthcare then you have the Part D plan provided by that HMO. You cannot be enrolled in more than one Part D plan at a time, so if you attempt to sign up with another Part D provider you risk being disenrolled from your HMO medical and drug coverage. Call your HMO if you have any questions.

- (2) ***If I am an active Trust participant, or a retired participant not with prescription drug coverage through Kaiser Senior Advantage or UnitedHealthcare Secure Horizons, do I need to do anything now?***

No, you don't need to do anything.

When you first become eligible for Medicare¹, you will have the option to independently enroll in a Medicare Part D prescription drug plan. However, ***by independently enrolling in a Part D plan the monthly contribution you pay for the Fund's plan will increase by \$32 and you will not be reimbursed for your Part D premiums.*** As mentioned above, the standard Part D benefit is not as good as the Fund's own prescription drug program (as described in your Fund plan booklet).

You should compare your current prescription drug program, including which drugs are covered, with the benefits and costs of the Medicare Part D plans available in your area. To view the official summary of approved Medicare Part D plans in any U.S. state, visit <https://www.medicare.gov/find-a-plan/questions/home.aspx>. Note that a Part D plan might not include your regular prescription drugs on its formulary. The Fund cannot provide you with a complete comparison of available Part D plans, but we urge you to carefully review any descriptions you may obtain.

¹ Your Medicare Initial Enrollment Period will be the month in which you become age 65, plus the preceding three months and the succeeding three months.

(3) *So why do I need to keep my notice of creditable coverage?*

In case you ever drop or lose your Fund coverage, or in the unlikely event that Fund coverage becomes non-creditable, having this notice will allow you to immediately enroll in a Part D plan without having to pay a late enrollment penalty. Specifically, if you try to enroll after your initial eligibility period, you will be charged a permanent Part D premium surcharge of 1% for every month since your initial Medicare eligibility for which you cannot show that you had creditable coverage (if such non-creditable period exceeds 62 days). Also note that you may have to wait for the next regular annual Part D enrollment period, which will be October 15th through December 7th for coverage in the following calendar year.

(4) *How can I get more information on Medicare Part D?*

More detail will be in the handbook “Medicare & You” that will be mailed to you by Medicare in October of each year. You may also be contacted directly by Medicare-approved Part D providers. Be sure to keep this notice. If you enroll in one of the plans approved by Medicare which offer prescription drug coverage, you may need to give a copy of this notice when you join to show that you are not required to pay a higher premium.
