

New Brand — Same Dependable Mail Service Pharmacy

Prescription Solutions by OptumRx is now **OptumRx**. It is a change we are excited about because we are growing — offering you more ways to improve your health, while keeping your medications/supplies affordable and easy to obtain.

We are still the safe and reliable mail service pharmacy you know and trust. We have the same phone numbers, website, online tools and easy ways to order or reorder your medications. You'll see evidence of our name change on our website, pill bottles, medication inserts, letters and other materials you receive from us. Please note: Our new website address is **www.optumrx.com**.

Our name change does not affect your health plan, your benefits, the drugs covered by your plan, or the amount you pay for them.

Making healthcare work better for everyone

Today, we are part of Optum, a leading provider of integrated health services. We know how important it is for you to get the right medication at the right time. And we never lose sight of the fact that we help people — often when they need us most.

We look forward to bringing you the value of Optum health services.
