

New Brand — Same Dependable Pharmacy Services

Prescription Solutions by OptumRx, the company that administers our health plan's pharmacy benefits, has completed its name change to OptumRx. They are now **OptumRx**. The change reflects its rebranding as an Optum™ company. Optum is a leading provider of integrated health services.

This name change does not affect your plan benefits, your ID card, the pharmacies you can use, the drugs covered by your plan or the amount you pay for them.

Only Its Name Has Changed

OptumRx is still the expert pharmacy benefit manager we know and trust. It has the same large national network of pharmacies where you can fill prescriptions. OptumRx also has the same phone numbers, online tools and award-winning customer service team to answer your questions 24 hours a day, 7 days a week.

You'll see evidence of the name change on its website and other materials you receive. Their new website address is **www.optumrx.com**.

Making Health Care Work Better for Everyone

OptumRx is working to offer you more ways to improve your health, while keeping medications affordable and easy to get.
