

A WHOLE NEW WAY

To make the most of your Cigna dental plan.

Convenience at your fingertips

Cigna is proud to introduce new features¹ for DHMO² customers on **myCigna.com** and the myCigna app that make it easier to choose a DHMO network dentist.

The screenshot displays the myCigna.com interface for finding a dentist. At the top, there are navigation tabs: REVIEW MY COVERAGE, MANAGE CLAIMS & BALANCES, FIND A DOCTOR, DENTIST OR FACILITY, HOME DELIVERY PHARMACY, ESTIMATE HEALTH CARE COSTS, and MANAGE MY HEALTH. Below the navigation, the search results for "Smith, John" are shown. The page includes a "BACK TO SEARCH RESULTS" button and a "Print This Page" link. The main content area is divided into sections: "About Dr. Smith" (Education: USC, 2002; Years in Practice: 14), "Associations" (American Dental Association), and "Dr. Smith's Offices". Two office locations are listed: 1587 Maple St, Valencia, CA 91355 and 1111 Spring St, Beverly Hills, CA 90211. Each office listing includes a map, address, phone number, and a "Show more office features" button. A detailed view of the Beverly Hills office is shown below, listing specialties (General Dentistry), dentist license (12345 active), national provider ID (1122334455), and technologies (Ultrasonic Scaling, Digital X-Rays, Intra-Oral Camera). A photo of the office staff is also displayed. A note at the bottom states: "Note: This information is self-reported by the dentist and updated accordingly. Available technologies and amenities shown are not verified by Cigna and may not be covered under your benefit plan. Please refer to your Benefit Plan Document (Certificate of Coverage/Insurance or Summary Plan Description) for specific coverage information. *The license information is extracted from state licensing agencies and is re-verified periodically. 1. Actual features may vary by dentist. Dentist profile information is provided by Brighter, Inc., an independent company. These and other dentist directory features are for educational purposes only and should not be the sole basis for decision-making. You are encouraged to consider all relevant factors and to speak with your treating dentist when choosing where to receive dental care.

2. The term DHMO ("Dental HMO") is used to refer to product designs that may differ by state of residence of enrollee, including but not limited to, prepaid plans, managed care plans, and plans with open access features. The Cigna DHMO is not available in the following states: AK, HI, ME, MT, NH, NM, ND, PR, RI, SD, VI, VT, WV, and WY.

The dentists who participate in the Cigna network are independent practitioners solely responsible for the treatment provided to their patients. They are not agents of Cigna.

Product availability may vary by location and plan type and is subject to change. All group dental insurance policies and dental benefit plans contain exclusions and limitations. For costs and complete details of coverage, see your plan documents.
