Introduction

This document amends your Kaiser Foundation Health Plan, Inc. (Health Plan) *EOC* to add coverage for Chiropractic Services and the Silver&Fit Program as described in this Combined Chiropractic Services and Silver&Fit® Healthy Aging and Exercise Program Amendment (“Amendment”).

Chiropractic Services

All provisions of the *EOC* apply to coverage described in this document except for the following sections:

- “How to Obtain Services” (except that the “Completion of Services from Non–Plan Providers” section, or for Kaiser Permanente Senior Advantage Members, the “Termination of a Plan Provider’s contract and completion of Services” section, does apply to coverage described in this document)
- “Plan Facilities”
- “Emergency Services and Urgent Care”
- “Benefits”

Kaiser Foundation Health Plan, Inc. contracts with American Specialty Health Plans of California, Inc. (“ASH Plans”) to make the network of ASH Participating Providers available to you.

When you need chiropractic care, you have direct access to more than 3,400 licensed chiropractors in California. You can obtain covered Services from any ASH Participating Provider without a referral from a Plan Physician. Your Cost Share is due when you receive covered Services.

Definitions

In addition to the terms defined in the “Definitions” section of your Health Plan *EOC*, the following terms, when capitalized and used in any part of this Amendment, have the following meanings:

ASH Participating Provider: A chiropractor who is licensed to provide chiropractic services in California and who has a contract with ASH Plans to provide Medically Necessary Chiropractic Services to you. A list of ASH Participating Providers is available on the ASH Plans website at ashlink.com/ash/kaisercamedicare for Kaiser Permanente Senior Advantage Members, or ashlink.com/ash/kp for all other Members, or from the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**). The list of ASH Participating Providers is subject to change at any time, without notice. If you have questions, please call the ASH Plans Customer Service Department.

ASH Plans: American Specialty Health Plans of California, Inc., a California corporation.

Chiropractic Services: Chiropractic services include spinal and extremity manipulation and adjunctive

therapies such as ultrasound, therapeutic exercise, or electrical muscle stimulation, when provided during the same course of treatment and in conjunction with chiropractic manipulative services, and other services provided or prescribed by a chiropractor (including laboratory tests, X-rays, and chiropractic supports and appliances) for the treatment of your Musculoskeletal and Related Disorder.

Emergency Chiropractic Services: Covered Chiropractic Services provided for the treatment of a Musculoskeletal and Related Disorder which manifests itself by acute symptoms of sufficient severity (including severe pain) such that you could expect the absence of immediate Chiropractic Services to result in serious jeopardy to your health or body functions or organs.

Musculoskeletal and Related Disorders: Conditions with signs and symptoms related to the nervous, muscular, and/or skeletal systems. Musculoskeletal and Related Disorders are conditions typically categorized as structural, degenerative, or inflammatory disorders; or biomechanical dysfunction of the joints of the body and/or related components of the muscle or skeletal systems (muscles, tendons, fascia, nerves, ligaments/capsules, discs and synovial structures) and related manifestations or conditions.

Non–Participating Provider: A provider other than an ASH Participating Provider.

Treatment Plan: The course of treatment for your Musculoskeletal and Related Disorder, which may include laboratory tests, X-rays, chiropractic supports and appliances, and a specific number of visits for chiropractic manipulations (adjustments) and adjunctive therapies that are Medically Necessary Chiropractic Services for you.

Urgent Chiropractic Services: Chiropractic Services that meet all of the following requirements:

- They are necessary to prevent serious deterioration of your health resulting from an unforeseen illness, injury, or complication of an existing condition, including pregnancy
- They cannot be delayed until you return to the Service Area

ASH Participating Providers

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM

WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

ASH Plans contracts with ASH Participating Providers and other licensed providers to provide the Services covered under this Amendment (including laboratory tests, X-rays, and chiropractic supports and appliances). You must receive Services covered under this Amendment from an ASH Participating Provider or another licensed provider with which ASH contracts to provide covered care, except for Services covered under “Emergency and Urgent Services Covered Under this Amendment” in the “Covered Services” section and Services that are not available from contracted providers and that are authorized in advance by ASH Plans.

How to Obtain Services

To obtain Services covered under this Amendment call an ASH Participating Provider to schedule an initial examination. If additional Services are required after the initial examination, verification that the Services are Medically Necessary may be required, as described under “Decision time frames” below. Your ASH Participating Provider will request any required medical necessity determinations. An ASH Plans clinician in the same or similar specialty as the provider of Services under review will determine whether the Services are or were Medically Necessary Services.

Decision time frames

The ASH Plans’ clinician will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If ASH Plans needs more time to make the decision because it doesn’t have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your ASH Participating Provider will be informed in writing about the additional information, testing, or specialist that is needed, and the date that ASH Plans expects to make a decision.

Your ASH Participating Provider will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your ASH Participating Provider will be informed of the scope of the authorized Services. If ASH Plans does not authorize all of the Services, ASH Plans will send you a written decision and explanation, including the rationale for the decision and the criteria

used to make the decision, within two business days after the decision is made. The letter will also include information about your appeal rights, which are described in the “Coverage Decisions, Appeals, and Complaints” section of your Health Plan *EOC* for Kaiser Permanente Senior Advantage Members, and “Dispute Resolution” section of your Health Plan *EOC* for all other Members. Any written criteria that ASH Plans uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request. If you have questions or concerns, please contact ASH Plans or Kaiser Permanente as described under “Customer Service” in this Amendment.

Covered Services

We cover the Services listed in this “Covered Services” section, subject to exclusions described in the “Exclusions” section, only if all of the following conditions are satisfied:

- You are a Member on the date that you receive the Services
- ASH Plans has determined that the Services are Medically Necessary, except for:
 - ◆ the initial examination described under “Office Visits” in this “Covered Services” section
 - ◆ Services covered under “Emergency and Urgent Services Covered Under this Amendment” in this “Covered Services” section
- You receive the Services from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care, except for:
 - ◆ Services covered under “Emergency and Urgent Services Covered Under this Amendment” in this “Covered Services” section
 - ◆ Services that are not available from ASH Participating Providers or other licensed providers with which ASH contracts to provide covered care and that are authorized in advance by ASH Plans

When you receive covered Services, you must pay the Cost Share listed in this “Covered Services” section. If you receive Services that are not covered under this Amendment, you may be liable for the full price of those Services.

Note: If Charges for Services are less than the Copayment described in this “Covered Services” section, you will pay the lesser amount.

The Cost Share you pay for Services covered under this Amendment does not apply toward any Plan Deductible

or Plan Out-of-Pocket Maximum described in your Health Plan *EOC*.

If you have questions about your Cost Share for specific Services that you are scheduled to receive or that your provider orders during a visit or procedure, please call the ASH Plans Customer Service Department toll free at **1-800-678-9133** (TTY users call **711**) weekdays from 5 a.m. to 6 p.m.

If you are a Kaiser Permanente Senior Advantage Member, refer to your Health Plan *EOC* for information about the chiropractic Services that we cover in accord with Medicare guidelines, which are separate from the Services covered under this Amendment.

Office Visits

We cover the following:

- **Initial chiropractic examination:** An examination performed by an ASH Participating Provider to determine the nature of your problem (and, if appropriate, to prepare a Treatment Plan), and to provide Medically Necessary Chiropractic Services, which may include an adjustment and adjunctive therapy. We cover an initial examination only if you have not already received covered Chiropractic Services from an ASH Participating Provider in the same 12-month period for your Musculoskeletal and Related Disorder
- **Subsequent chiropractic office visits:** Subsequent ASH Participating Provider office visits for Chiropractic Services that are determined to be Medically Necessary by an ASH Plans clinician. These subsequent office visits may include an adjustment, adjunctive therapy, and a re-examination to assess the need to continue, extend, or change a Treatment Plan

Each office visit counts toward any visit limit, if applicable.

You pay the following for these covered Services (up to 30 visits per 12 month period): **a \$5 Copayment per visit**

Laboratory Tests and X-rays

We cover Medically Necessary laboratory tests and X-rays when prescribed as part of covered chiropractic care described under “Office Visits” in this “Covered Services” section at **no charge** when an ASH Participating Provider provides the Services or refers you

to another licensed provider with which ASH contracts to provide covered Services.

Chiropractic Supports and Appliances

We provide a **\$50 Allowance per 12-month period** toward the ASH Plans fee schedule price for chiropractic appliances listed in this paragraph when the item is prescribed and provided to you by an ASH Participating Provider as part of covered chiropractic care described under “Office Visits” in this “Covered Services” section. If the price of the items in the ASH Plans fee schedule exceeds \$50 (the Allowance), you will pay the amount in excess of \$50 (and that payment does not apply toward the Plan Out-of-Pocket Maximum described in your Health Plan *EOC*). Covered chiropractic appliances are limited to: elbow supports, back supports (thoracic), cervical collars, cervical pillows, heel lifts, hot or cold packs, lumbar braces and supports, lumbar cushions, orthotics, wrist supports, rib belts, home traction units (cervical or lumbar), ankle braces, knee braces, rib supports, and wrist braces.

Second Opinions

You may request a second opinion in regard to covered Services by contacting another ASH Participating Provider. Your visit to another ASH Participating Provider for a second opinion generally will count toward any visit limit, if applicable. An ASH Participating Provider may also request a second opinion in regard to covered Services by referring you to another ASH Participating Provider in the same or similar specialty. When you are referred by an ASH Participating Provider to another ASH Participating Provider for a second opinion, your visit to the other ASH Participating Provider will not count toward any visit limit, if applicable. An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial, and of your right to file a grievance as described under “Grievances” in this Amendment.

Emergency and Urgent Services Covered Under this Amendment

We cover Emergency Chiropractic Services and Urgent Chiropractic Services provided by an ASH Participating Provider or a Non-Participating Provider at a **\$5 Copayment per visit**. We do not cover follow-up or continuing care from a Non-Participating Provider unless ASH Plans has authorized the Services in advance. Also,

we do not cover Services from a Non-Participating Provider that ASH Plans determines are not Emergency Chiropractic Services or Urgent Chiropractic Services.

How to file a claim

As soon as possible after receiving Emergency Chiropractic Services or Urgent Chiropractic Services, you must file an ASH Plans claim form. To request a claim form or for more information, please call ASH Plans toll free at **1-800-678-9133** (TTY users call **711**) or visit the ASH Plans website at ashlink.com.
